Conditions of Approval: The following is a summary of a few of the more applicable Rules and Regulations of the Snake River Water District that are requirements of receiving a tap fee. See the full text of the Snake River Water District - Rules and Regulations for clarification and for additional requirements.

- 1) All tap fees (System Investment Fees) are to be paid prior to the issuance of a building permit.
- 2) The District will confirm the number of EQR prior to issuance of a Certificate of Occupancy (C.O.). Any adjustments to the amount due to the District must be paid prior to C.O.
- 3) Once a C.O. is issued, the owner will be assessed a quarterly charge of \$65.00 per EQR. Additional fees will be assessed for any water that is used which exceeds 15,000 gallons/quarter/EQR.
- 4) No excavation or installation of water main or service line shall be done October 31 through April 15 (10-31 through 4-15). (see Appendix C, 2.1.1)
- 5) The District will furnish and own all water meters. All properties require back-flow prevention.
- 6) Fire flow requirements are subject to review by the Lake Dillon Fire Authority.
- 7) This permit and installation of all service lines, meters and any back-flow prevention devise are subject to the Rules and Regulations of the District.
- 8) Improvements will not be constructed on or otherwise restrict access to any utility easement of record.
