The following is a summary of applicable Rules and Regulations of the District.

To see the full text of Rules and Regulations or for clarification, go to: www.snakeriverwater.com

1. All connection tap fees are to be paid prior to the issuance of a building permit.
2. No excavation or installation of water main or service line shall be done October 31 through April 15 (10-31 through 4-15). (see Appendix C,2.1.1)
3. Locate and make sure your curb stop is visible, accessible and operable.
4. District will furnish and own all water meters. All properties require back-flow prevention.
5. This permit is subject to the Rules and Regulations of the District.

Please submit a Final Landscape Plan with total area (sq.ft/acreage) to be landscaped. Please also note if any of the irrigation is to be temporary. Water efficient irrigation systems are encouraged.
